

The background features three large, abstract blue geometric shapes: a triangle in the top right, a triangle in the bottom left, and a quadrilateral in the middle right.

Fintech District

The Gateway to the Italian Fintech Ecosystem

Why «Fintech Goes to Italy» is in English language

A man in a brown shirt is sitting at a wooden desk, gesturing with his hands while looking at a laptop. The laptop is open, and the man's hands are raised in a gesture of explanation or emphasis. The background is a plain, light-colored wall.

This bias is coming from our education and culture:

Mandatory
English Language
in primary school

**Year
2011**

**Year
1986**

Watching movies in
English language

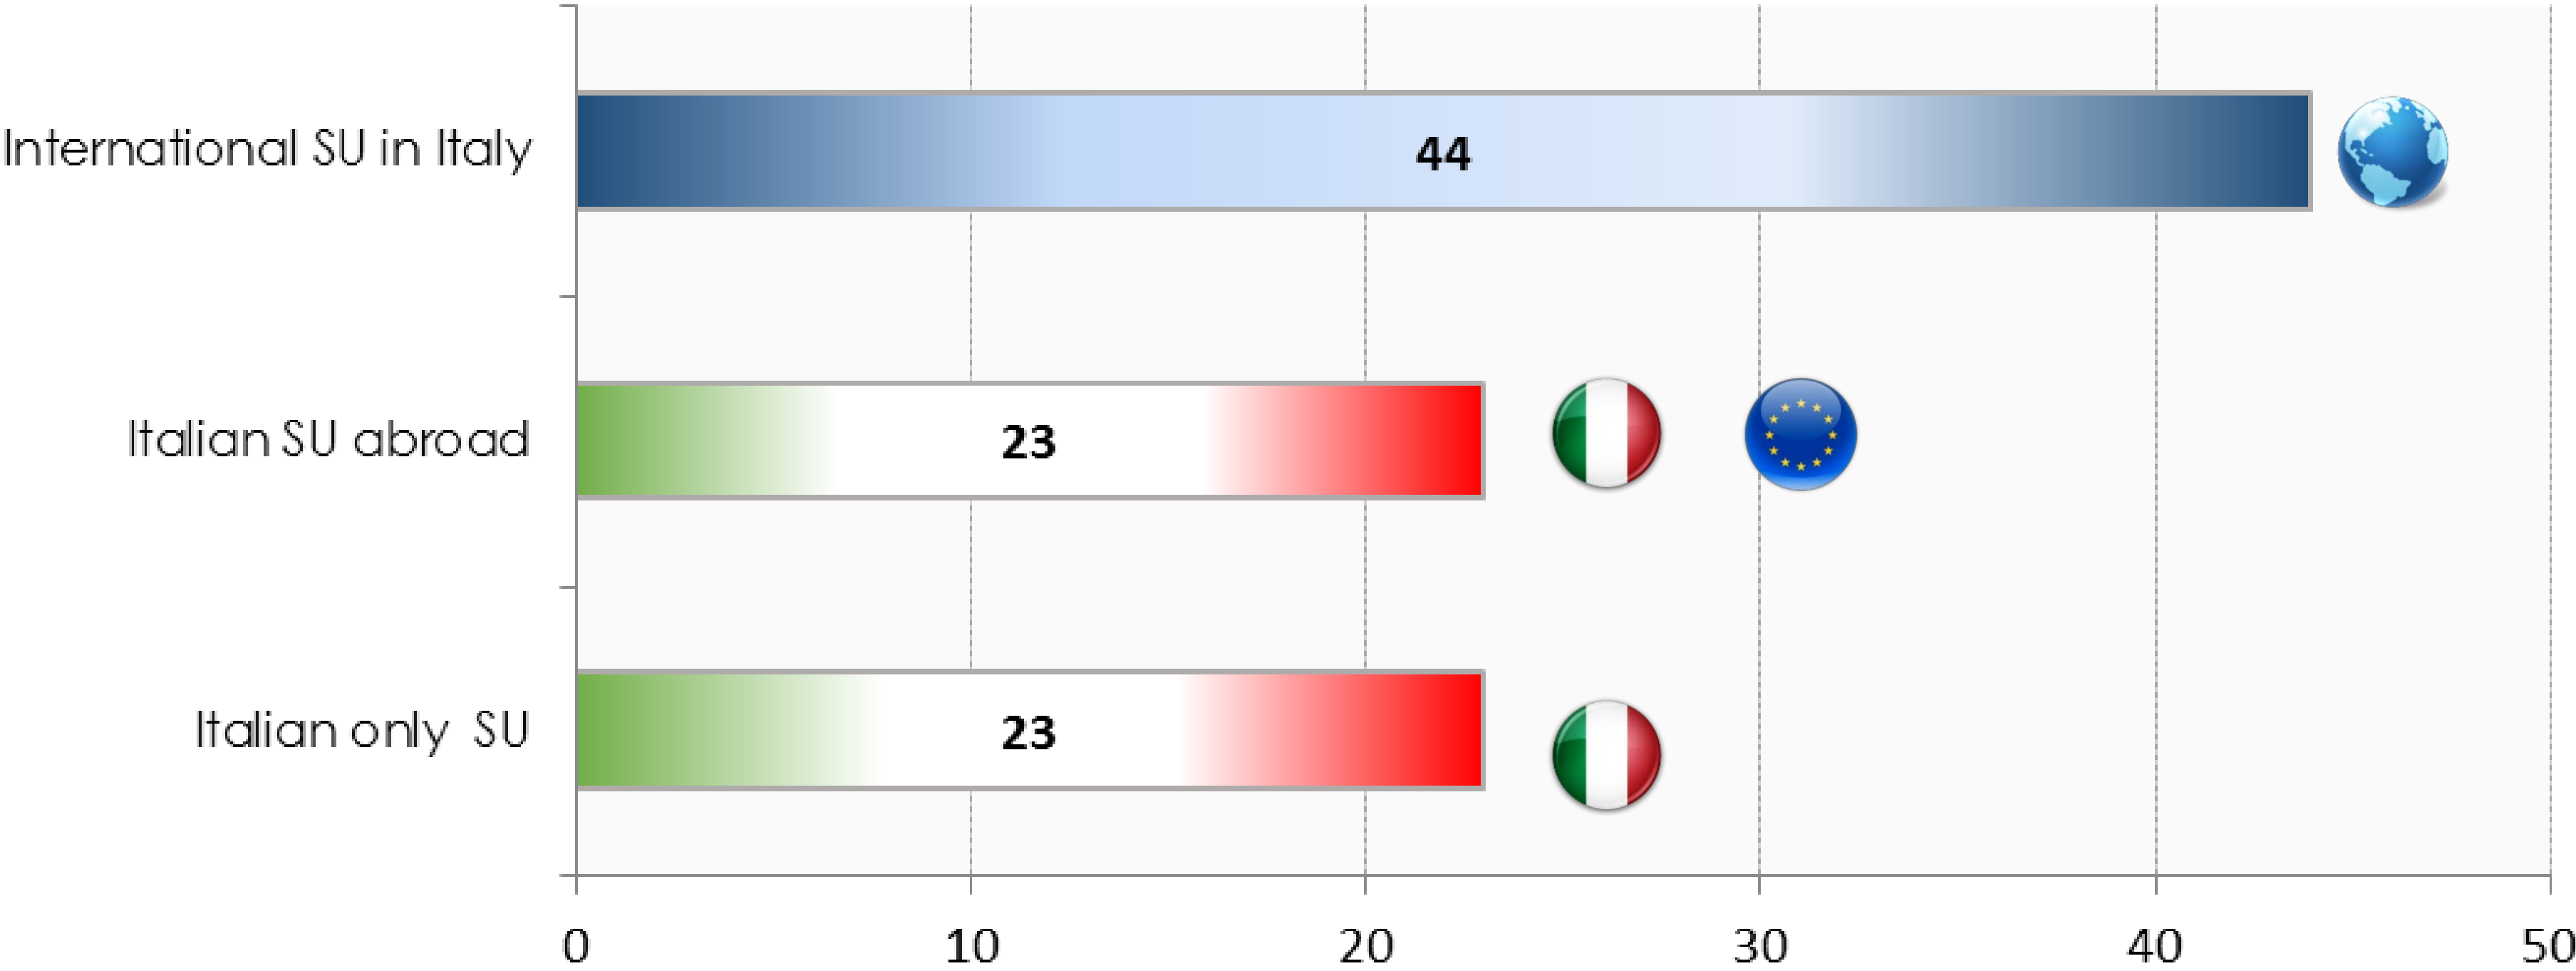

27 %

85 %

This is important because innovation knows no boundaries

The Fintech District community counts 90 SU
